DoD Library Support

Lean Six Sigma Project – Spring 2008

- Enterprise-wide purchasing across the services.
- Each service responsible for certain purchases.
- Titles purchases were placed on Military OneSource, Army Knowledge Online, Defense Knowledge Online, Navy Knowledge Online, and My Air Force portal
- Project saved dollars, supported Families and deployments, provided common levels of service across libraries)
  - Spent $7M on databases, e-books, audio books; if purchased individually by each service, cost would have been $14M – a savings of $7M
  - Spent $5.6M on OIF/OEF
  - Spent $1M on MOS Call Centers

DoD Library Support

DoD Library Support

Moving Forward

- Continued support for enterprise purchasing:
  - Electronic Databases
  - OIF/OEF with paperback kits and Playaways
  - MOS Call Centers
  - Programs, i.e. summer reading, gaming, etc.
- Standards for Joint Based Libraries
- Joint Based Libraries funded as premier models
- Centralized electronic DoD library catalog providing access to all library holdings in DoD
- Champion for new library facilities
